

Hi Everyone,

There are some Performance Standard reports that have been updated and will be reloaded in Webi this evening. All updated reports will be available for viewing on Wednesday morning.

The following reports have been corrected or added to Webi:

- Milwaukee Eligibility and Assessment Agency performance standard reports for Initial FEP, Initial Placement and Barrier Screening Tool.
- Job Retention Secondary Performance Standard new report will be available.

If you have any questions, please contact your local Regional Office.

Thank you.
